Mary is Senior Vice President and Chief Accounting Officer for MEAG Power. Prior to joining MEAG Power in 1998, she held management positions with the Texas Utilities System and with Entergy Corporation.

Her career experience includes more than 30 years in the electric utility industry, working in the key areas of accounting, financial reporting, process improvement, human resources and finance. She served for 10 years as a member of the Board of Directors of The Energy Authority, a public power energy trading and risk management company. She is currently the Treasurer for the Large Public Power Council, an organization comprised of 23 of the nation's largest public power systems.

Mary earned a Bachelor's degree in Business Administration from Illinois Wesleyan University and is a Certified Public Accountant.
