1470 Riveredge Parkway, NW  
Atlanta, GA 30328-4686  
1-800-333-MEAG  
[www.meagpower.org](http://www.meagpower.org)

Gary brings 34 years of electric power experience to his position as Vice President, Transmission for MEAG Power. He has spent most of his career as a specialist in high voltage electric power delivery. Before joining MEAG Power in 1988, Gary worked with Dayton Power & Light Co., High Voltage Maintenance Corp., the U.S. Air Force and Multi-Amp Corporation. He has held various positions within MEAG Power including Energy Applications Engineer, Manager of Area Planning, Manager of Power Marketing as well as Regional Manager and Director of Transmission.

Gary serves on the Joint Committee for the Georgia Integrated Transmission System, the SERC (Southeast Reliability Council) Board of Directors, the Executive Committee of the SERC Board and the SERC Board Compliance Committee.

He graduated from Purdue University with a Bachelor of Science degree in Electrical Engineering.
