Mission

To provide our Participants with competitive and reliable electric power to enhance the quality of life in their communities.

Vision

To be our Participants’ number one choice for wholesale power that is essential to their growth and prosperity.

Values

Customer Focus  Enhance our relationship with our customers by exceeding their expectations.

Integrity  Conduct business in a fair, honest and ethical manner.

Excellence  Continually strive for improvement and challenge the status quo.

Teamwork  Seek out and value different opinions, support others and work together to achieve what is best for the Participants and MEAG Power.

Stewardship  Protect our Participants’ physical and financial assets. Meet our contractual, environmental and regulatory responsibilities. Provide a challenging and rewarding work environment for all our employees.

Responsiveness  Work enthusiastically with a sense of urgency. Seek out opportunities to help others.
