2023 Mayors Summit

James E. Fuller
President and Chief Executive Officer

Welcome to MEAG Power's 2023 Mayors Summit

Thank you for joining us at the 29th annual Mayors Summit!

We are pleased once again to provide a forum where we can share experiences, discuss the political, economic and operating environments, and build on the relationships that are the foundation of the MEAG Power family.

We look forward to the program's speakers providing us with an array of knowledge and insight to help us prepare for what is to come.

And we greatly value the insight and input from MEAG Power Participant Mayors and/or Board/Commission Chairs in helping MEAG leadership and staff formulate the appropriate approaches to dealing with the major issues of the day.

Again, thank you for attending. Please let any MEAG Power staff member know if you require any assistance during the event.
